

# Eye Tests

Employees who feel that their safe working or who work in an position in which their eyesight may be effected by their work or the job requires demands perfect vision may request an eye test at any time by completing an 'Application for funding for an eye test' form. A copy may be requested from the Students' Union office or is available on-line.

Line Managers are requested to encourage employees to take an eye test if they consider it to be prudent. However, the Students' Union will judge whether or not the duties undertaken by the member of staff entitles them to an eye test.
